

ST. MARY MAGDALEN  
CATHOLIC SCHOOL

**2022-2023**  
**ANNUAL**  
**REPORT**

# **A LETTER FROM OUR PRINCIPAL**

Dear St. Mary Magdalen Catholic School Community,

St. Mary Magdalen is a community of families and faculty dedicated to Catholic education, and we consider it a privilege to partner with you in the education of your child. I am blessed not only to humbly serve as the principal of St. Mary Magdalen Catholic School but to be a graduate as well. The same faith-filled and caring community I experienced when my family moved here years ago is the same one that I feel today with the team on which I serve.

We know the importance of teaching the whole child—mind, body, and spirit—and we do so in a caring, loving environment. Our students learn the value of effort through their successes in our rigorous academic program. They realize their gifts and talents through extensive extracurricular opportunities. They discover the rich tradition of their faith as they learn how to be the hands and feet of Christ and how to make a difference in the world. The greatest gift we can give our families is to love the children and help them reach their fullest potential.

Within this annual report, you won't just find achievements, but you'll gain an understanding of our shared mission. We are grateful for the support of our school community throughout the year. Your trust and partnership are the pillars of our success, making our school a true home for learning and growing. Here's to another year of shared moments, continued growth, and the unique story we're crafting together. Thank you for being an integral part of our St. Mary Magdalen journey.

Sincerely in Christ,

*Lorianne Rotz*

## TECHNOLOGY UPDATES

- Middle School ~ 1 to 1 iPads
- Kindergarten - 5th Grade ~ Full class sets of iPads
- New interactive panels installed
- New laptops in the Technology Lab

## MAKING A DIFFERENCE: OUR STUDENTS GIVING BACK

At SMMCS, our students are learning academics, life skills, and compassion. We are proud to see our students giving back to our community and to each other. Every student should feel supported and part of a community during and after school to help ensure success in life.

The highlight was our Go Baby Go Project, a partnership with UCF's Physical Therapy Department. Students in every grade level participated in re-engineering motorized two toy vehicles to aid children with mobility challenges, from building the car, to rewiring, to retrofitting, to decorating, everyone was able to participate. The week-long collaboration incorporated all aspects of STREAM curriculum and each grade level added a component to the final project. On the final day, the cars were presented to our two recipients to take out for a test drive with the student body cheering them on! This was our 2nd year of this partnership.

*Other service projects include:*

- Living Gospel Values Program
- Feed the Children
- Holiday Food Drive for the Sharing Center
- Christmas Toy Drive
- Clean the World
- Peace Orphanage Collections
- Life Choices Baby Shower
- Hurricane Ian Collection
- Orlando Rescue Mission Donations
- Books and Bears for Bears Who Care
