

The following is a list of the on-going fundraisers and partnerships at St. Mary Magdalen Catholic School. These count over the summer, too!

Albertson's

Albertson's continues to participate in Community Partners but has changed the method just a little bit. Albertson's has recently eliminated their Preferred Card for customers' use to ensure extra savings. Now, all customers get the same great deals without the hassle of the card or having to give your phone number every time you shop. In place of that, to continue Community Partners, Albertson's will be using key tags. If you shop at Albertson's and use the Community Partners program, be sure to designate St. Mary Magdalen School for the proceeds.

Box Tops for Education

General Mills family of products have somewhere on the packaging a small rectangle noted as a Box Top for Education. Simply clip, collect and turn in to your child's homeroom. And they really add up! This past year we collected over \$2000 worth of Box Tops! Look for them on Kleenex brand tissue boxes and Ziploc freezer bags as well. For more information you can visit www.boxtopsforeducation.com.

GoodSearch.com

GoodSearch is a search engine which donates 50% of its revenue to the charities and schools designated by its users. It's a simple and compelling concept. You use GoodSearch exactly as you would any other search engine. Because it's powered by Yahoo! you get proven search results. The money GoodSearch donates to your cause comes from its advertisers – the users and the organizations do not spend a dime!

In 2007, GoodSearch was expanded to include GoodShop, an online shopping mall of world-class merchants dedicated to helping fund worthy causes across the country. Each purchase made via the GoodShop mall results in a donation to the user's designated charity or school – averaging approximately 3% of the sale, but going up to 20% or even more.

We hope you'll not only use GoodSearch as your main search engine from now on, but will also tell your friends, family and co-workers so they, too, can start using GoodSearch to support St. Mary Magdalen School.

How does it work? Go to www.goodsearch.com and enter your organization to verify. Be sure to choose the St. Mary Magdalen Catholic School in Altamonte Spring, Florida! Search the Internet just like you normally would – the site is powered by Yahoo!, so you'll get high-quality search results. Fifty percent of the

revenue generated from advertisers is shared with the charity, school or nonprofit organization of your choosing.

Ink Cartridges

St. Mary Magdalen School participates in an ink cartridge recycle program. Simply drop off any empty printer cartridges in the school office. We'll send them in and not only help the environment but our school as well!

Magazine Renewals or New Subscriptions

Renew your magazine subscriptions or subscribe to new ones and St. Mary Magdalen School receives 40% of the subscription price. Visit www.qsp.com and use the school code 425023792. Books and music are available here, too. (Note: There's a handy dumpster located near the annex to recycle magazines and newspapers.)
